# NEW IN 2024!

## COMPULSORY TUMBLING CLASSES FOR LEVEL 3 AND UP TUMBLE TEAMS

As our club has grown it has become increasingly difficult to provide enough opportunities for athletes to continue to progress their individual tumbling skills.

To this end we have chosen to include a tumbling class into the term fee for level 3 and up tumble teams. This will be a 1.5hr class added into the schedule right from registration day like any other team practice so that you can add it to your calendars as early as possible. These classes will focus on conditioning, level appropriate passes athletes need to continue progressing toward higher levels and the specialty skills we believe all athletes should have to be a strong team member at any level.

## PLEASE NOTE!

While we will be calling these classes by the team name they were scheduled for, there will be some room to transfer between classes if athletes have crossover team times that clash or are invited up a group due to their tumbling skills being more advanced than the team they are currently on.

**\*\*For athletes in lower levels you will still have our group tumble classes available to you! See page 13.**

## BAND

While all club information is emailed to enrolled families, we use an app called [Band](#) to keep in contact with all our teams directly and to reiterate club information. Coaches often send class updates, videos etc. as well as information about competitions & dress up days. This app is great as it allows us to have all the posting and messaging functions of other social media platforms in a more secure and child friendly setting.

**Upon registration we require all athletes/parents to access the main "TNT All Stars" Band page and the athletes individual team page/s for 2024.** This can be setup with a parent/guardian account, the athlete can have their own personal account or there is the option for you to set up both. When you are creating your account please be sure to use your first and last name so we can confirm your enrollment and accept you into the group. Unfortunately we won't be accepting nicknames or first names only as we want to maintain the security of each Band. The codes for your team/s Band will be provided once your 2024 enrollment is complete.

The app is available on all mobile platforms and can also be accessed on your [web browser](#).

## ICLASS PRO

We use [iClass Pro](#) for registration, payments, and online bookings for tumble, holiday & recreational classes. You can access the iClass Pro parent portal one of two ways, via the iCP App or on our website. For the app you will need our organisational name which is [tntallstars2014](#). The app is available on all mobile Platforms.

### New to TNT?

Prior to the 2nd of December 2023 you will be able to log on to the parent portal via one of the below platforms and click the "create an account" button. From here you can book into a tryout applicable to your age and skill level. If you are joining us after tryouts please contact [info@tntallstars.com.au](mailto:info@tntallstars.com.au) to discuss a skills assessment or your free trial in one of our classes. Once you have created an account check out our ["how to" video tutorial](#) to help you access and use the portal with ease.
