1 INTRODUCTION

1.1 WELCOME

Welcome to TNT All Stars. We are delighted to have you as a member of our TNT family. We wish you every success during your time at TNT. Thank you for being part of our club, and we look forward to many memorable experiences together.

1.2 PURPOSE OF THE POLICIES AND PROCEDURES HANDBOOK

To ensure that everyone enjoys their time here to the fullest, it's important to understand and adhere to our club policies and procedures. This booklet is designed to provide you with a comprehensive overview of the rules and expectations that govern our club's operations. We encourage you to familiarise yourself with its contents and use it as a reference to make your experience with us as enjoyable, safe, and rewarding as possible. Please remember that by becoming a member of TNT All Stars, you agree to abide by these policies and conditions, fostering a positive and inclusive environment for all our members.

1.3 REVIEW

This Club Handbook is subject to periodic review and updates. Our commitment to excellence and responsiveness to evolving needs means that amendments may be made from time to time. These revisions aim to enhance the club's operations, policies, and the overall experience for our members.

2 MEMBER GUIDELINES

2.1 ATHLETE GUIDELINES

- Foster a positive and friendly atmosphere within the team.
- Maintain the tumbling skills acquired at the beginning of the season throughout the competition period; failure to do so may lead to a reassignment to a more suitable team.
- Adhere strictly to the 'no jewellery' policy at practice and competitions, as mandated by IASF regulations. All jewellery must be removed before competitions, as wearing it can result in deductions for the entire team.
- Maintain open lines of communication with coaches. In the event of an injury, please inform us so that we can assist in addressing and resolving the issue.
- We highly value hardworking and positive athletes who prioritise the collective team goals over individual interests.
- Recognise and support the authority of coaches to make necessary routine adjustments throughout the season in the best interest of the team.
- Be prepared for potential skill alterations in routines during competitions.
- Embrace the role of being a supportive teammate, and refrain from engaging in gossip or bullying, both within and outside of TNT. Any instances of badmouthing, gossip, or bullying among athletes may result in a one-week suspension.

2.2 PARENT GUIDELINES

- Be the most enthusiastic supporters! Show unwavering support for your athletes, their team, and the entire TNT community.
- Please ensure that all fees are promptly and consistently paid. Athletes with outstanding fees exceeding one month will be asked to refrain from practice.
- Use the appropriate point of contact for any inquiries (see our information package staff directory).
- Make it a priority to attend any scheduled parent meetings. Additionally, we will endeavour to record parent meetings and make these accessible online to ensure convenience for all, please ensure you set aside adequate time to view the recordings.
- Uphold your athlete's commitment to the team, recognising that the consequences of practice suspension affect the entire team, not just your individual athlete.
- Stay updated by thoroughly reading all communication from TNT via email and Band. Correspondence usually involves vital information regarding competitions, arrival times, and upcoming events.
- Strive to be exemplary parents by fostering a positive and supportive atmosphere. Gossip, bullying, or negative behaviour among parents, both within and outside of TNT, will not be tolerated and may result in a one-week suspension.

2.3 CLUB GUIDELINES

- The more we work together, the more we achieve.
- We maintain a strict stance against any form of gossip among parents, athletes, or with members of other clubs. Our aim is to foster a close-knit, family-like community.
- Seek the silver lining in every situation, as there is always a positive aspect to be found. If you have concerns, please feel free to discuss them with a Gym Director.
- Kindly review our social media policy. Negative conversations about athletes, parents, the team, or TNT are not permitted on social media. If any issues arise, we encourage you to work with us to find a solution.
- Make it a habit to check the lost and found regularly. The lost and found collection tends to grow quickly and is donated at the end of each term. Please ensure that your athletes do not bring valuables to practice, as lost items are not under our responsibility.
- We kindly request that you refrain from using our logo to brand your own items without TNT's explicit permission. Our branding holds great significance for us, and we appreciate your cooperation in this matter.

2.4 UNIFORM POLICY

PRACTICE

- **Comfortable Attire:** Athletes are encouraged to wear comfortable clothing that allows for free movement, such as a t-shirt, sports bra, and sports shorts.
- **TNT Merchandise:** We offer a range of TNT attire for purchase, which we encourage athletes to wear during practice.
- **Neat and Secure Hair:** For safety and hygiene reasons, athletes with long hair should ensure it is neatly and securely tied away from their face for the entire training session.
- **Appropriate Shoes:** Enclosed shoes with a hard sole that are suitable for stunting and tumbling.
- **Remove All Jewellery:** We adhere strictly to the 'no jewellery' policy at practice and competitions, as mandated by IASF regulations.

2.5 ARRIVAL AND PICK UP

At TNT All Stars the safety and convenience of our athletes and their families are of utmost importance. Please adhere to the following guidelines for drop-off and pick-up:

BOORAGOON:

- **"Kiss and Drop" Zone:** Utilise the front two parking spots outside the reception area for quick drop-offs.
- **Reverse Parking:** In the club's parking area, reverse parking is mandatory to ensure that we keep our littlest athletes safe and easily in eyesight.
- **No Parking in Restricted Areas:** Please do not park on the road, directly in front of or behind Golf Box, or at the gym/doggy daycare next door.
- **Overflow Parking:** If the designated spots are full in the club's parking area, you'll find plenty of overflow parking available at the nearby Spotlight.

FORRESDALE:

- **No Parking in Restricted Areas:** Please do not park in front of the other business until after 4pm.

NORTH:

- **Parking:** Please ensure you're driving through the car park in a one way motion.
- **"Kiss and Drop" Zone:** Utilise the front parking spot outside the reception area for quick drop-offs. Please ensure there is NO parking or loitering in this space.

ALL LOCATIONS:

Waiting and Entering the Gym:

- **Wait Inside Reception:** Athletes are expected to wait for their class inside the reception/waiting area until their coach calls them in.
- **No Food Inside:** We have a strict no-food policy inside the gym to maintain a clean and safe environment for practice.

Pick-Up:

- **Prompt Presence:** Our gym can get quite busy, especially during pick-up times. We encourage parents of young athletes to be present in the reception area a few minutes before class finishes. This will ensure that you are ready to safely escort your little one through the carpark.

2.6 ATHLETE BELONGINGS

- **Cubby Holes:** Cubby holes are available for athletes to store their personal belongings during practice. It is essential to note that TNT Cheer Pty Ltd is not responsible for any items placed in the cubby holes. This means that we do not accept liability for any loss, misplacement, or damage of personal items. While we strive to create a welcoming and secure environment, we do not assume responsibility for personal items that may go missing, be misplaced, or otherwise become separated from their owners.

- **Label Your Belongings:** We encourage all athletes and their families to exercise personal responsibility in securing their belongings. It's advisable to label items and avoid bringing valuables to practice.

2.7 LOST PROPERTY

- **Lost Property Collection:** Our staff will regularly monitor the cubby holes and gym premises for any items left behind by athletes. Any found items will be moved to our designated lost property area for safekeeping. We strongly encourage athletes to check the lost property area if they believe they've misplaced an item. Please do so before the end of the term to maximise the chances of retrieving your belongings.
- **Scheduled Donations:** To keep our facility uncluttered and to support charitable causes, please be aware that we donate all unclaimed lost property to Goodwill at the end of each term. TNT Cheer Pty Ltd is not responsible for replacing any items that have been donated to Goodwill. We will make reasonable efforts to remind athletes to check the lost property area when possible.

6 ATTENDANCE POLICY

6.1 PURPOSE

At TNT Cheer, we recognise the importance of every athlete's commitment to their team. Cheerleading is the ultimate team sport, where every member's presence is vital to the success of the entire team. Each absence impacts not just you individually but also your teammates as a majority of skills utilise multiple team members.

6.2 ATTENDANCE GUIDELINES

To ensure the effectiveness of our practices and to uphold the integrity of our teams, we have established the following guidelines for all athletes:

- **Communication is Key:** All absences must be communicated promptly, either by email or text, giving our coaches time to adjust practice plans accordingly.
- **Find a Stand-In:** It's your responsibility to find a suitable replacement if you can't attend practice. If you're unable to find someone, inform the coaches at least 6 hours before practice starts, so they can assist.
- **Review of Commitment:** After five unexcused missed practices, athletes will meet with the team coach and a program director to assess their dedication to the team.
- **Flash-Out Week:** No absences are allowed during "Flash-Out" week, the three crucial practices leading up to a competition or showcase. Missing this period may result in changes to your position in the routine including potentially being asked not to compete, which will result in forfeiture of competition fees. Such decisions are made within the best interests of the team.
- **Mandatory Competition Attendance:** All athletes are expected to attend all competitions. If you must miss a competition, please inform the coach and program directors at least two months in advance. If an athlete is away for competition their competition fees will be forfeited as another athlete will be required to fill in for them at the competition.

For Levels 2-6:

- **Excused Absences:** Athletes receive three excused absences **per season**, which cover school functions/camps, funerals, contagious illnesses. Notify your coaches promptly and arrange for a replacement to ensure effective practice.
- **Unexcused Absences:** Athletes are not permitted to miss practice for unexcused absences such as a bad day at school, work shift, social events, injury. Please encourage your athletes to use good time management practices.
- **Managing Absences:** If you exceed three absences a meeting with the Program Director will determine your role on the team, which may include position changes or becoming a team alternate.
- **Responsibility for Replacement:** It is the athletes responsibility to find a suitable replacement for ALL practices.

We appreciate your commitment to TNT and your understanding of the importance of consistent attendance. Your dedication not only shapes your success but also supports the growth and achievements of your entire team.

9 BIDS AND TRAVELLING TEAM POLICIES

9.1 BID ACCEPTANCE POLICY

What is a bid?

There are several different types of bids given out during competition season. The most common bids we see are for Summit, and World Championships. Other event bids will not be considered. A bid is awarded for a team's success and means they get a minimum of free entry to the competition. For some international competitions we can also receive partial paid, and full paid bids. None of the bids awarded pay for all expenses. I.e) A full paid bid typically gives 2-4 nights' accommodation, and entry fees to the competition. Travel expenses such as flights are not covered.

When will a team accept a bid?

When a team receives a bid for a competition we will send out an email the following week after the competition. A minimum of 95% of the team must agree to travel to the competition. The remaining 5% must be filled by other athletes within our program. Accepting a bid means you accept the travel costs associated with the bid receiving competition. The final decision will be made within one week of receiving the bid.

What competitions will we consider accepting bids to?

- Summit: Located in Orlando, Florida (Disney World), typically the first week of May.
- World Championships: Located in Orlando, Florida (Disney World), typically late April.

9.2 NATIONALS POLICY

Traveling Teams - No Qualification Required

All athletes in the teams below must attend nationals. If you get placed on one of these teams and cannot commit to AASCF Nationals you will receive a new team placement.

- Elite Level 1
- Level 4
- Level 5
- Level 6
